

# WAREHOUSE II *The Return*

## **The Warehouse II: The Return**

Drama/Thriller

Having escaped from the ghostly warehouse once before and now void of friends, family, and purpose, our hero continues to check for the return of the warehouse building in hopes of rescuing others. With the sudden reappearance of the same storage facility and the help of a new love interest/rumored former escapee, our hero goes on a journey to empty the warehouse of prisoners and finds he needs the help of an old loyal friend or two along the way.

The screenplay for this movie is currently under development.
